# A+ QUALITY & LABORATORY

**To Achieve Customer Delight - GruppoNueva**

At **GruppoNueva**, our world-class quality laboratory stands as a symbol of our unwavering **commitment to excellence**.

It represents our promise to deliver **tiles** and **sintered stone** surfaces that not only meet, but consistently exceed global **quality benchmarks.**

We combine advanced testing technology, highly trained professionals, and internationally aligned protocols to ensure that every product is manufactured with **precision**, **durability**, and **consistency**.

Our multi-tiered quality system ensures in-process inspections, real-time monitoring, and final pre-shipment checks.
Every batch meets **customer** and **country-specific standards** — because here, **quality isn't just checked, it's engineered into every layer**.

TO ACHIEVE CUSTOMER DELIGHT.

# QUALITY ASSURANCE THIRD-PARTY

**GruppoNueva** has relied on **Inhouse Incorporation** for all-in-one solutions in ***Quality Assurance*** & ***Control*** for all export shipments to our **international partners**.

This partnership ensures that every product meets the highest global standards of **quality** and **reliability**.

## About inHouse Incorporation

- One of India's largest ceramic tile **quality assurance** company.
- Presence in Morbi and Rajkot with over **50 qualified ceramic engineers.**
- Committed to precision, innovation, and seamless quality management.
- **Inhouse Incorporation** ensures smooth and efficient quality management, making it effortless for **GruppoNueva** to deliver top-quality products to our global customers.
