COLLECTION OF LUXURY; 7WONDER SERIES

Since its inception, the GGCL has been inseparable from its quality product & designs. To set a new trend in the ceramic industry, we present the “7 WONDER SERIES COLLECTIONS” of unique marbles & stones we would like to call BEJHA SERIES, BHUKHARA SERIES, BLEKKA SERIES, SAPHEDA SERIES, SIMENTA SERIES, ESKEPA SERIES, and KLASSIKO SERIES. Inspired by the Incredible “Natural Colours” and all classified into collection according to the stylistic shades of colours, conceptual quality and grand applications range.

THESE 7 WONDER SERIES COLLECTIONS

for any coverings, Thanks to its lightweight, easy installation (cutting, drilling, grouting, etc.) and maintenance. It makes the 7 Wonder series particularly suitable for floor & wall cladding in both indoors and outdoors residential and commercial areas, Countertops, partitions and yacht coverings. It can become a fundamental tool for decoration and interior design, a new surface suitable for customizing tables, ceilings, wings and back-lighted partitions.

Kitchen Is The Heart Of The Home, Make It Beautiful With Superior Elements

The kitchen is where you put all the ingredients together, just like the heart of the home. You will always have this image and a perception of how you want to decorate your kitchen space and how you dream of having it all beautified.

To fulfil this dream, it is essential to consider surfaces beyond the floor & wall, like Kitchen backsplash, tabletops, countertops and kitchen furniture more.

Our 7 Wonder series is the answer and a solution to all the kitchen surfaces, offering total natural healthiness surfaces, easy to clean and almost impossible to break and scratch, which is not just a product but is a wonder of the surface kitchen.

Everything Your Decoration Demands, We Have Suitable Style For Luxurious Living.

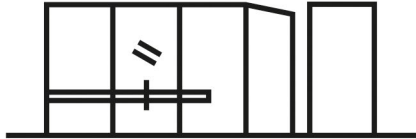

Understanding the need for a person or people living at home or working in an office is now a primary requirement, including beautifying the surfaces where the person spends most of their time achieving dreams.

Our 7 Wonder series is all made understanding the heart of a person and their mental and emotional needs, which tells an entire tale of adaptability and softness; it is smooth as a second skin which can be wrapped around desks, tables, tray tables as well as doors, walls, floor, mobile walls and cupboards to adapt person space.

It will surround maximum space to protect and create value for your flat, house, and office in a very durable way, creating a tremendous aesthetic look and mental peace when the person at home or working in an extensively resistant low maintenance office.

It will surround maximum space to protect and create value for your flat, house, and office in a very durable way, creating a tremendous aesthetic look and mental peace when the person at home or working in an extensively resistant low maintenance office.

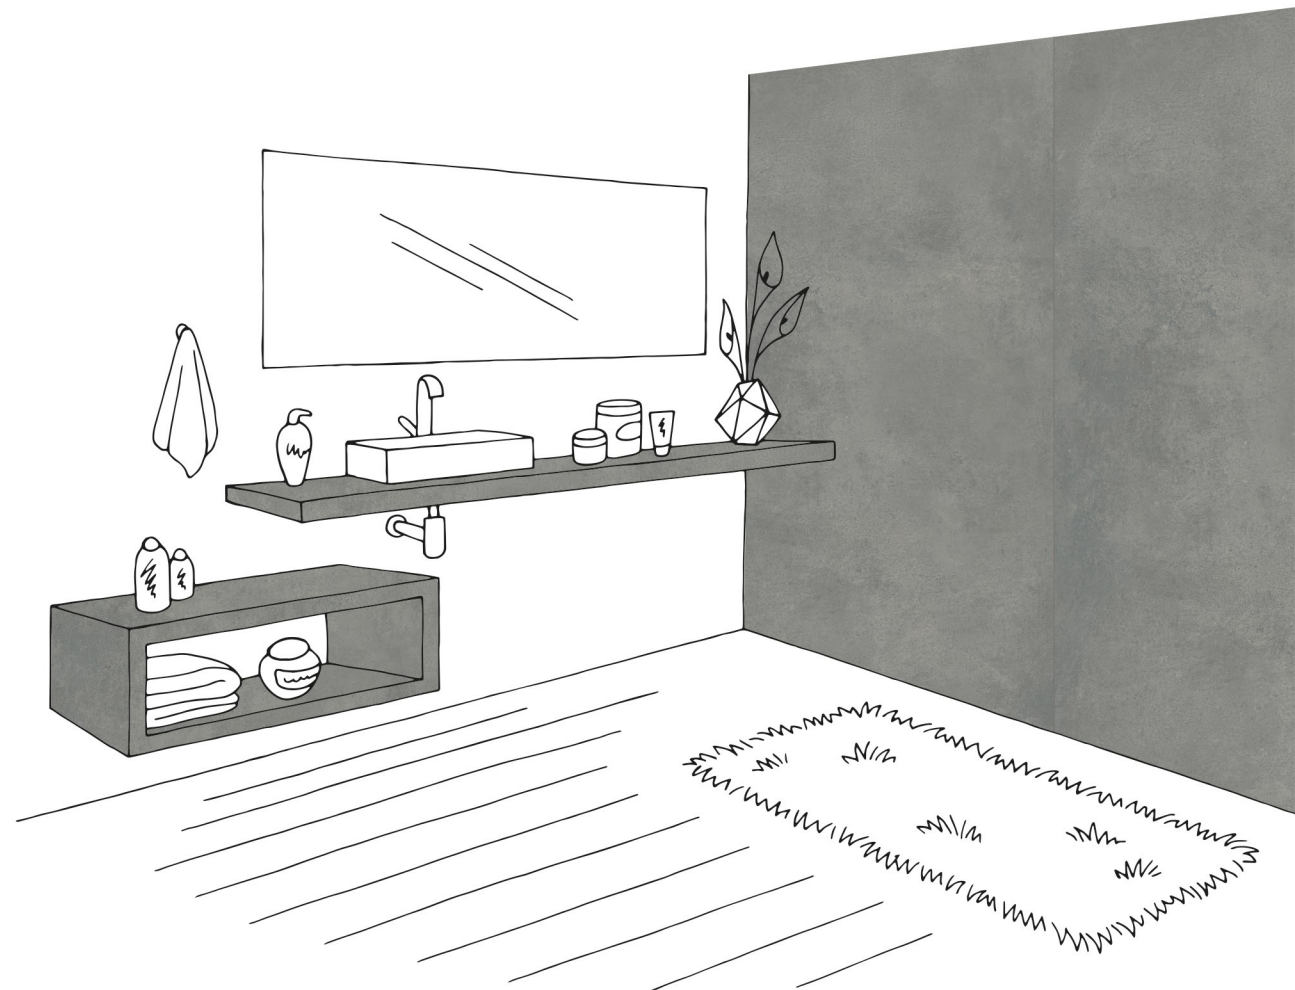

BATHROOM & WELLNESS

Give Your Bath Space To Fresh Breath Of Beauty And Comfort Together

Our 7 Wonder series is the perfect partner for your bathroom and wellness space which smoothly embraces sink, shower plan, backsplash tile.

It will create perfect harmony and aesthetical combination with the environment and your bathroom space; it does not need excessive maintenance and stays clean and refined, making it an ideal product choice to create a bathhouse excellent for your intimacy and comfort.

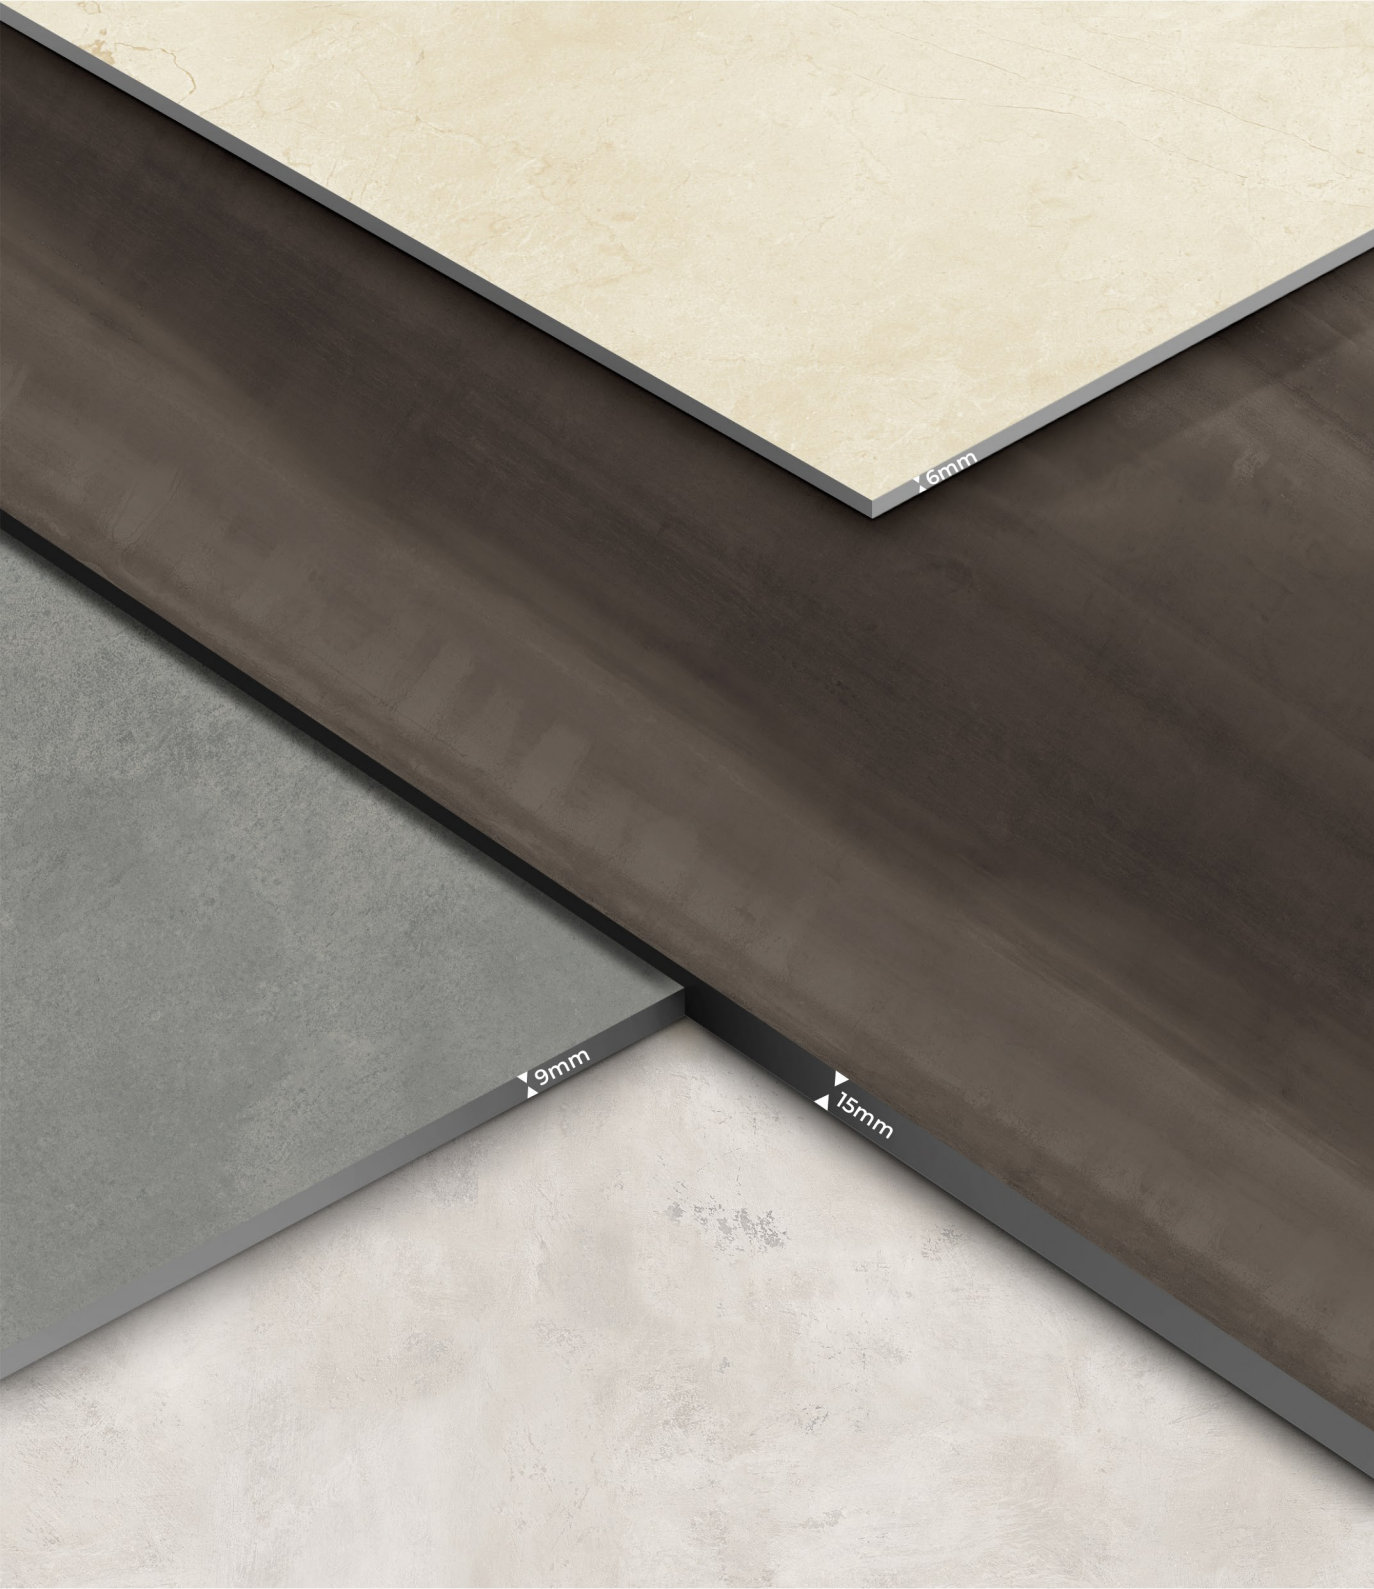

“Simenta Series” that discover the positive ambiance. The charm of the cement drives decoration of design towards new sources of inspiration. Many of us think that Cement Colour as a dull, boring and a bit depressing colour, but we prove this wrong and creating a sense of calm and composure, relief from a chaotic world Simenta Series, to bring every shade of colour personality for the modern and sophisticated outcomes. Nature symbolised cement color has become the inspiring muse of architects and interior designers, contaminating every aspect of the design of spaces.

Transformation and Nature are the two key reference words; we take inspiration out of it. Our aim is to make best use of the full technical potential of ceramic marble and stone to give rise to attractive, dynamic and concurrently functional styling solutions with 5 Size, 10 Designs And lapato and Matt Finish. The possibility of exploiting the most sophisticated looks of the stone effect with different 1200x2400MM, 800X2400MM, 900X1800MM, 800X1600MM & 1200X1200MM size that allows designers to come up with high-impact solutions for every spaces alike.

Elegant, intense and at the same time modern, cement is the perfect colour for decorating the bathroom, the bedroom and the most accommodating spaces in the home, thanks to its ability to convey a sense of stability and safety: ideal both as floor ,wall and counter top. These slabs are the perfect solution to enhance any setting, from private homes packed with personality to luxury hotels, high-end boutiques and large department stores, spas and even everyday workplaces.

It is the ideal choice to create a neutral base, for recesses or complete surfaces, which can subsequently be embellished with designer furniture and colourful accessories. Browse the style and atmospheres of your quality ambiance. If you're thinking of using these colours for your space or interior design than collections are just right for you!

So why don't you combine the various designs and cold color to create attractive, reassuring yet vibrant settings. Allow your surface to be won over by the colours of nature and transform your settings with Simenta collections!
